Your druggist sells a tiny bottle of Freezone for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and calluses, without soreness or irritation. Try it! No humbug!

That's the woman's dread when she gets up in the morning to start the day's work. "Oh! how my back aches!"

GOLD MEDAL Back Pain Capsules taken today ease the backache of tomorrow—taken every day, the backache goes for all time. Don't delay. What's the use of suffering? Begin taking GOLD MEDAL Back Pain Capsules today and be relieved tomorrow. Take three or four every day and be permanently free from recurring distressing back pain. But be sure to get GOLD MEDAL. Since 1895 GOLD MEDAL Back Pain Capsules have been the standard of the Government of the Netherlands having granted a special license authorizing its preparation and sale. The housewife of Holland would almost as soon be without bread as she would without her "Good Back Pain" as she quaintly calls GOLD MEDAL Back Pain Capsules. This is the one reason why you will find the women and children of Holland so sturdy and robust. 2-4-5, 6
